A HARBOUR ISLAND CELEBRATION

What is Junkanoo?

Junkanoo is an open air parade with music, dance and costumes of Akan origin in many towns across the Bahamas; traditionally celebrated on Boxing Day (December 26) and New Year's Day (January 1). This festive tradition has been performed on other celebratory occasions such as weddings.

A local Harbour Island Junkanoo band is available to perform for weddings for the island style delight of all in attendance. Performances include colorful costumes, horns, bells whistles, drums and much festive dancing to create a highpoint to the wedding evening.

For any wedding couple seeking an authentic Bahamian wedding celebration a Junkanoo is considered an overwhelming must have element.
